Terms & Conditions

- ° Unless otherwise noted, quotation is based on standard turnaround per process (Duragalv / Primergalv / Colorgalv / Colorgalv Thermoset), and finish color.
- ° Please reference this quotation number on all correspondence including P.O's and shipper to ensure accurate order processing and invoicing.
- ° All orders are subject to minimum lot charges for Galvanized and Colorgalv material, not including additional fees: (expediting, add'l labor, taxes, etc.)
- ° Orders are subject to additional charges where a custom color or finish is chosen other than standard colors, or when not identified or communicated.
- ° All galvanized material will be in accordance with ASTM 123's most recent edition unless noted otherwise.
- ° There is ALWAYS a risk of deflection or distortion due to kettle heat, although our personnel take precautions to minimize these risks wherever possible.
- ° Surfaces must be clean and free of paint, lacquer, greases, blast material, weld splatter, etc. or they will be subject to a removal fee.
- ° Modifications to any scope of work must be authorized by the customer in writing prior to processing (including color, process, or additional services).
- ° Processing is limited solely to the scope of work described within this quotation. Additional fees for masking, plugging holes, etc., may apply.
- ° Duncan's liability to compensate for damages is limited to the cost of our service.
- ° Additional terms and conditions are presently available on our website for further review.
